MEMORANDUM FOR THE RECORD

SUBJECT: Insurance - Use of Privately Owned Autos
for Official Business

25X1A9a

[REDACTED] separately, have raised with us the problems posed by the necessity for applicants for automobile insurance to state whether a privately owned automobile is to be "customarily used" in the course of the applicant's employment or business. There are cover and legal implications and this Office will look into the matter.

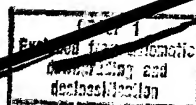

(Sig [REDACTED])
